

STEP BY STEP GUIDE FOR ONLINE REGISTRATION – SEMESTER 1

Before you start with the Online Registration process, you must have the following

1. Access to an internet connected computer.

2. The subject codes for all your semester 1 subjects and year courses. Subject codes can be obtained from Fee Structures available on the University Website.

i) Go to the IUM Website (www.ium.edu.na) >> Click on “**Student Corner**” and Select “**Tuition Fees**”

Or follow copy and paste this URL into the browser

<https://ium.edu.na/tuition-fees/>

ii) Select your qualification type and search for the Fee Structure of your specific course

iii) Write down all the subject codes for all semester 1 subjects and Year Courses under your current year of study.

iv) Should you have any subjects you are repeating from earlier years, also note down their subject codes.

3. Must have paid at least the 2025 registration Fee of N\$2100. Payments must be made by EFT directly into the University Bank account or at the Cashiers at any university campus. **Use your Student number as reference.** Note that Cashiers at the university premises only accept Cash payments from 08:00 to 13:00

The University Banking details are as follows:

Bank Name: Bank Windhoek

Beneficiary Name: IUM-Book Fund

Branch Name: Kudu Branch, Windhoek

Account Number: 3000338051

Branch Code: 482172

Swift Code: BWLINANX

Students who made payments through EFT should allow the university at least 2 days (i.e. 48 hours) to process the payment so that it reflects on the student account. This means that a student must make the payment at least 2 days before the day they plan to register online.

4. NSFAF loan holders can register online without registration fee payment. Those who are unable to register online because they are blocked, must contact the Finance department.

How to Register Online

Step 1:

Go to the IUM Website (www.ium.edu.na) >> Click on **Student Corner** and Select **Student Portal/iEnabler**

Step 2:

Enter your **student number** and your 5-digit **PIN** and click **login**

Registered Users

Please use the login screen below if you already have the appropriate login information. If not, please contact your Registrar.

Capturing and Printing of Student Cards

Once you have completed the online application process, you may go to your Campus to have your photo captured and your student card printed out.

How to verify yourself that you registered successfully

At end of the process, it is important to really verify that you are registered successfully and have saved the registration process. There are 3 ways to verify that you successfully completed the online registration process.

1. Under the registration folder: Click on [Proof of Registration – PDF](#)

All your 1st semester modules and year courses must appear on the Proof of Registration. If no subject is appearing, it means you did not register. If any subject is missing, you must add it yourself, or contact Admissions Office for it to be added.

2. Under the Student Enquiry folder: Click on [Progress Report](#)

The current Academic year (i.e. 2024) must appear under which all your 1st semester modules and year courses are listed. If any subject is missing, you must add it yourself, or contact Admissions Office for it to be added.

3. Under the registration Folder: Click on [Proof and Cost](#)

All your 1st semester modules and year courses must appear here
