EBSCO Mobile App - Quick Start Guide
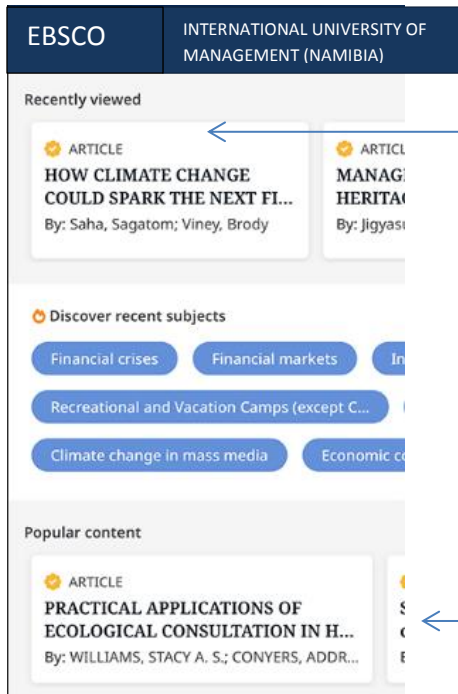

Table of Contents

The Home Screen

After logging in to the EBSCO Mobile App, you see the Home screen. You can return to the Home screen at any time by tapping the 🏠 icon in the menu at the bottom of the screen.

From the EBSCO Mobile App Home screen, you can view:

Recently Viewed: Swipe to the left to see the articles you have recently viewed while using the app. Tap an article to view it again

Discover Recent Subjects: Tap a subject in the Discover recent subjects area to execute a search of articles related to that subject. Subjects in this area are displayed based on articles you have viewed while using the app.

Popular content: Swipe to the left to view articles that are popular with users. Tap an article to view it

Searching the App:

To search the EBSCO Mobile App:
1. Tap the **Magnifying Glass** in the menu at the bottom of the screen to access the Search screen.

2. Enter your search terms in the Search Box. As you type, the app suggests search terms you can tap to quickly run a search.
3. Tap a filter (**Peer Reviewed**, **Full Text**, **Date Range**) to apply it to your search should desire to filter

4. Tap **Search** on your device's keyboard to run the search.
5. Your results are displayed. Tap an article or book title to see the details or read the full text, when available

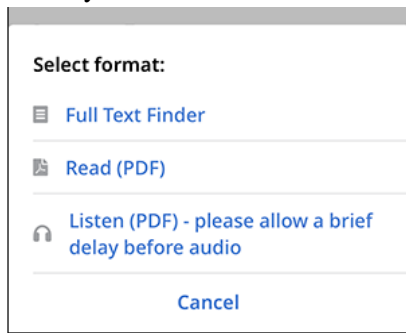

Reading Articles on the EBSCO Mobile App

1. On the article screen, select to **Read More** of the abstract, or scroll down to view the article **Details** (article citation information).
   Tap **Read Now** (full text of the article, when available).
   Note: The **Read Now** option will not appear when full text for the article is not available.

2. When you select to read the full text, select from the formats available to you.

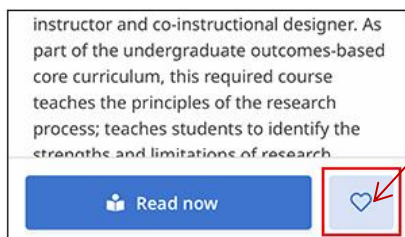

Liking Articles on the EBSCO Mobile App

When you are logged in to the app using the Find My Organization option, Liked articles are saved until your log in expires or you log out of the app. Once you are no longer logged in, Liked articles are removed.
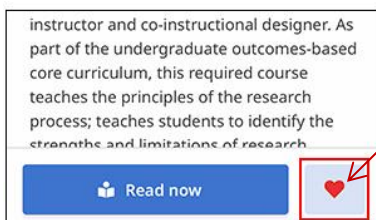

When you are logged in to the EBSCO Mobile app with your personal user account, articles that are Liked in the app are also saved to your personal My EBSCO*host* folder and are available from anywhere you log into EBSCO*host*.

To Like articles on the EBSCO Mobile App:

1. From an article page or the result list, tap the **Like** icon.

2. The article is saved and the icon changes to a **solid color**.

If you wish to remove the article from your Liked articles, simply tap the icon again. To view your Liked articles, tap the Likes icon at the bottom of the screen.
