TOWARDS ACADEMIC SUCCESS**

“

**W**e vow to impart sound education in order to impact the lives of our people positively. There is no doubt about this and we are destined to win because we have history on our side.

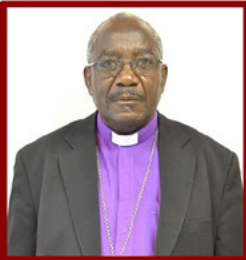

From day one, we have been determined to mould young minds to be creative and to be creators of work and wealth. This is a mission we set ourselves to achieve and we shall not disengage until this sacred cause has been met and achieved.

# Message From the Vice Chancellor

**FELICITATIONS:** It is a great honour and privilege for me to welcome you all to the 17th IUM Convocation today at the Dorado Campus of this great university. You will probably recall that the previous year, the Convocation took place virtually in the midst of the COVID-19 pandemic. This year, although the COVID-19 is still around, we thank God for the subdued effect of the pandemic, a testimony to answered prayers and the effectiveness of Government's vigorous efforts at implementing various mitigating strategies over the past year. Nevertheless, in compliance with Government regulations and in the interest of safety and security, this Convocation is also being held virtually.

As we celebrate milestone achievements by our graduands, it is appropriate to remember that it is by God's mercy that we have not been consumed by the ferocity of the COVID-19 pandemic. At this point, I would like to recall, sadly, some of our colleagues, including staff and family members who unfortunately succumbed to the virus during the past 12 months.

**TO OUR GRADUATING STUDENTS:** During this 17th convocation, a total of 2841 qualifications or certificates are being awarded; this is 31% more than the 2167 certificate awarded in 2020. In addition Ten (10) new qualifications are being awarded by the university an indication of IUM's commitment to introduce demand driven qualifications.

As you take the next step in searching for gainful employment, I implore you to be bold, confident and optimistic, realising that you are skilled and well equipped for today's labour market demands. And as many of you as have the impulse to be self-employed or employment creators, you should not allow anything to discourage you from becoming an entrepreneur who is also capable of providing jobs to others.

**STRENGTHENING INSTITUTIONAL CAPACITY:** Degrees and certificates being conferred to deserving graduands during this 17th Convocation, cut across different fields of specialization: Business Administration; Education; Health & Social Sciences; Information and Communication Technology; Strategic Management & Leadership; Tourism, Hospitality & Events Management.

It is re-assuring that all our 63 NQF registered qualifications have been re-accredited by the Namibia Qualifications Authority effective from 02 September 2021. This is a culmination of the effective coordination efforts by our Quality Assurance Team, and support provided through the Faculties and Departments by staff and students in general.

**COOPERATION WITH STAKEHOLDERS:** As we continue to respond to our stakeholders' requests for programme expansion, I am confident that in the immediate future, IUM will also be conferring degrees in Environmental Sciences, including Environmental Management and Sustainable Development; Climate Change Mitigation and Adaptation; Conservation Agricultural Management; Sustainable Fisheries and Aquaculture Management; Water Resource Management; etc.

While the COVID-19 circumstances seem to have popularized the online delivery of academic programmes globally, IUM had started online teaching and learning before the advent of COVID-19. We embarked upon this as a strategy to broaden our outreach to potential students not just in Namibia but beyond our borders particularly within the African continent. Already, we have started to register new and incoming students online, and IUM applications for admission into any of our programmes can be completed online as well. We have really moved into the new age of digital transformation.

**TRIBUTES:** It is necessary at this point to pay tribute to the IUM Governing Council members for their oversight functions dutifully carried out during the past year. In particular, special tribute goes to the Founder and Chair of the IUM Governing Council, Prof. David R. Namwandi whose vision we are all sharing in reality today. It is to the credit the Governing Council that the university has continued to operate smoothly and even grow in spite of the discouraging environment imposed by the Corona Virus pandemic.

My tribute also goes to all members of the IUM Executive Committee, Senate, and Academic and Research Committee for seeing to the effective management of the institution through formulation and effective implementation of policies and programmes that place emphasis on integrity, quality and competitiveness of our products.

To all Faculty Deans, Centre Directors and Heads of Departments, both management and academic, including Campus Directors, you deserve to be commended for your indefatigable devotion to duty and care for your students. And to all our academic and administrative support staff, you are and will remain an integral and valuable part of the IUM system; therefore your individual as well as corporate contributions cannot be overemphasized.

Thank you!

### FROM THE DESK OF THE OFFICE OF THE IUM ALUMNI RELATIONS

#### A BIG WELCOME TO THE IUM ALUMNI FAMILY

The new kid on the block has arrived. It is making its presence known. The IUM Alumni Association, under the auspices of the Office of the IUM Alumni Relations. This office will be spearheaded by the Director of Alumni Relations and supported by the Alumni Relations Communications Manager, Alumni Relations Events Officer, and the Alumni Relations Administrative Assistant.

At the onset, the Office of the IUM Alumni Relations has developed a seven (7) prong approach model. This model provides the direction as to how the Office of the IUM Alumni Relations should operate as indicated below.

#### A SCHEMATIC REPRESENTATION OF THE IUM ALUMNI ASSOCIATION MODEL

**PRONG 1:** Is at the heart of the IUM Alumni Association. All the other prongs are connected to the IUM Alumni Association prong. This prong is the center piece of the IUM Alumni Association model which support the network of students who graduated from IUM, to raise the profile of the university. This prong also established the lifelong relationship with IUM alumni across the globe

**PRONG 2:** Are the alumni themselves. These are alumni who freshly graduated from IUM. They are not registered as members. In order to become a registered member, such alumni must apply for membership to the Association.

**PRONG 3:** Is the IUM Faculty. They will be referred to as "Affinity Groups". They play a big role in this equation. They will develop activities for alumni who received a qualification in their field of study and obtained a degree in their respective faculty.

**PRONG 4:** Are the Regional campuses, referred to as Chapters. Similarly, they will develop Chapter activities and events.

**PRONG 5:** Is the administration, such as the Office of the Dean of Students which will bring to light the IUM alumni participation in the Cultural Festival and the establishment of the IUM alumni choir. The Registrar's Office will provide the Office of the Alumni Relations with graduation statistics. Marketing and Communications Department will market all the activities and events of the Office of the IUM Alumni Relations online and in print. The Information Communication Technology (ICT) Services Department will develop the alumni database and provide training.

**PRONG 6:** Is the Student Sport Clubs which is also a Chapter. They will be responsible for organizing athletics and fun game activities for IUM students and the IUM alumni.

**PRONG 7:** Are the student organisations. They form a Chapter. They include the Students' Representative Council (SRC), International students, Debating Society etc., Student organisations under the leadership of the SRC will assist with the alumni membership drive for the Office of the IUM Alumni Relations. This Chapter will take up this task at all IUM official functions such as research day, public lectures, community engagement and at student orientations.

The IUM Alumni Association is a non-profit entity which is composed of Alumni Association members, freshly graduated alumni, affinity groups, Regional Chapters, IUM Administration, student sports clubs and student leaders.

The Office of the IUM Alumni Relations will focus on IUM alumni-related services. Such services will consist of the following: (a) alumni events or activities - example: homecoming, class reunion, alumni award ceremony, resource mobilization and alumni memberships drive etc., (b) alumni programs - example: IUM alumni scholarship program, IUM alumni mentoring program, IUM alumni career guidance program, IUM alumni leadership program and IUM alumni entrepreneurial program and (c) community engagement - example: handing over of hampers to our communities, HIV/AIDS education, COVID - 19 education and tutorials on Mathematics, English and critical thinking skills.

For the Office the IUM Alumni Relations to sustain itself, it has crafted categories of membership as follows which will pay membership fees according to the membership category of their choice: (i) Regular membership: all graduates who obtained a qualification from IUM (ii) Life membership: all graduates who prefer to make regular lifetime contributions (iii) Associate membership: faculty members who are non-graduates of IUM but teaching at the university and (iv) Honorary membership: all recipients of honorary degree conferred by IUM, Chairperson of IUM Governing Council and members holding the rank of Professor.

IUM Alumni Association under the auspices of the Office of the IUM Alumni Relations pledges to harness a healthy relationship with all its IUM alumni members. The IUM alumni relationship is for life.

Join the IUM Alumni Association where success is a tradition. Become a member for life. Walk this journey with IUM. When you join and become an IUM Alumni Association member, you guarantee yourself an extraordinary life.

We invite all of you to join and become an Alumni Association member. Kindly, complete the "IUM Alumni Association Registration Form" and send to the following email address:
