

EBSCO Mobile App - Installation and Authentication Guide

Step 1: Download the 'EBSCO App'

The EBSCO App is available for iOS and Android devices from the iTunes App store and Google Play.

To log in to the EBSCO Mobile App:

1. Open the App and tap **Get Started**.

2. Tap the **search box** to find the IUM library. On the search box type **International University of Management (Namibia)**. You can also **use my location** to find IUM .

3. Select IUM from the list and click **next**
4. Tap **continue** to allow the app to continue to sign you in.
5. Log in via the login credentials provided by the library

If you want to create a personal account with EBSCO or if you have one already, sign in to the app with the institutional credentials and then tap the Account icon  at the bottom of the screen and then tap the Sign in to EBSCO link.
