# A guide on how to locate E-Books on LMS

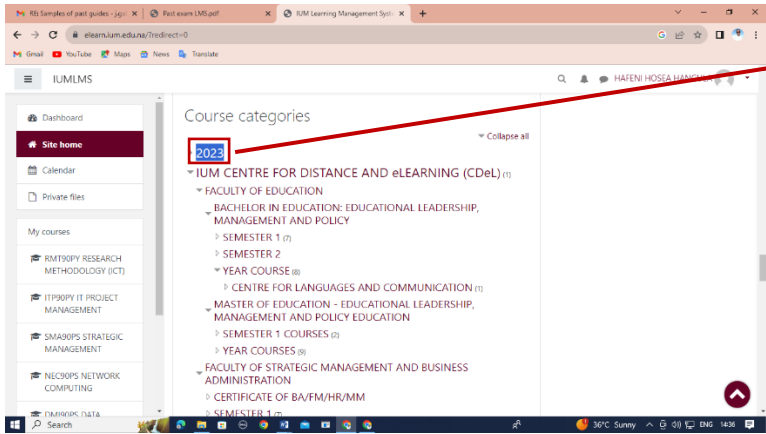

Step 1: The very first step, is you search for the IUM learning management system and then click on its icon

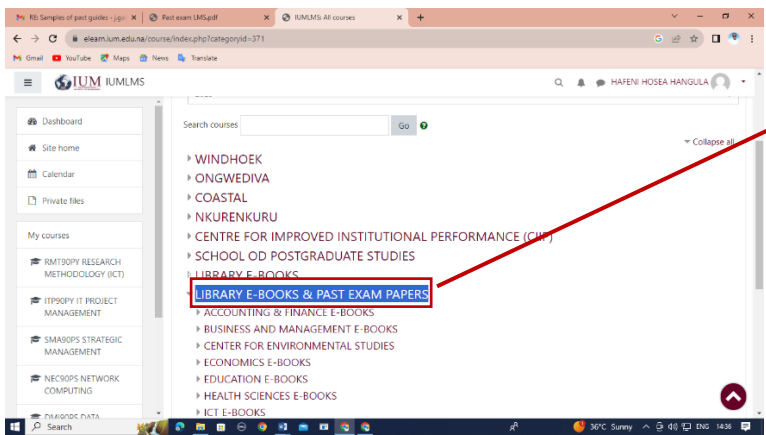

Step 2: After opening the LMS web page, you then click on the Log In icon at the far right corner, then you Log into LMS

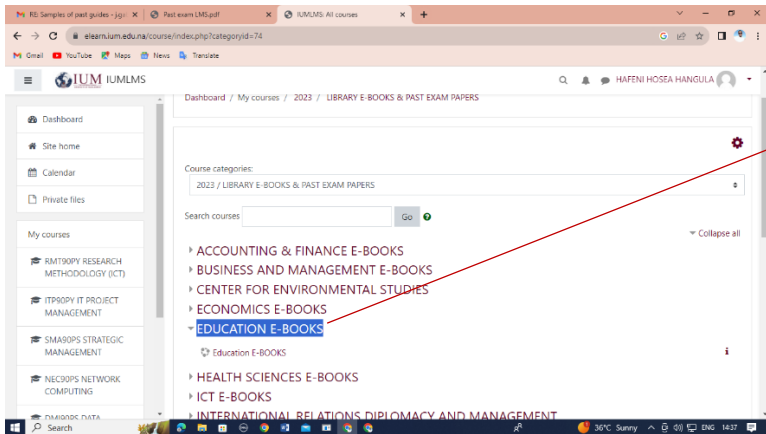

Step 3: Once at your LMS Dashboard, after logging in, click on "Site home"
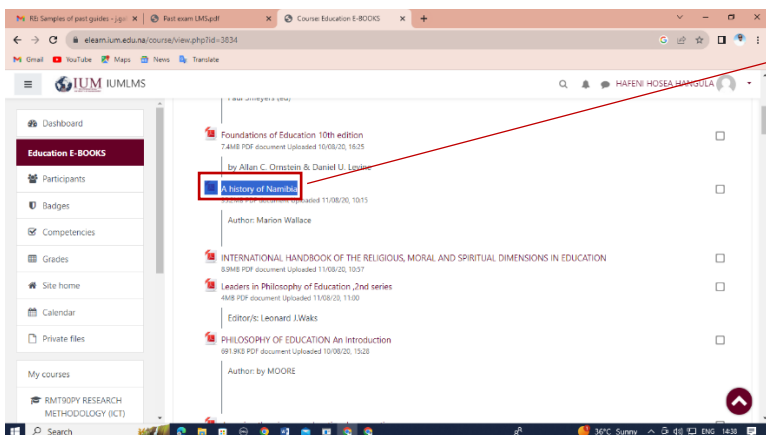

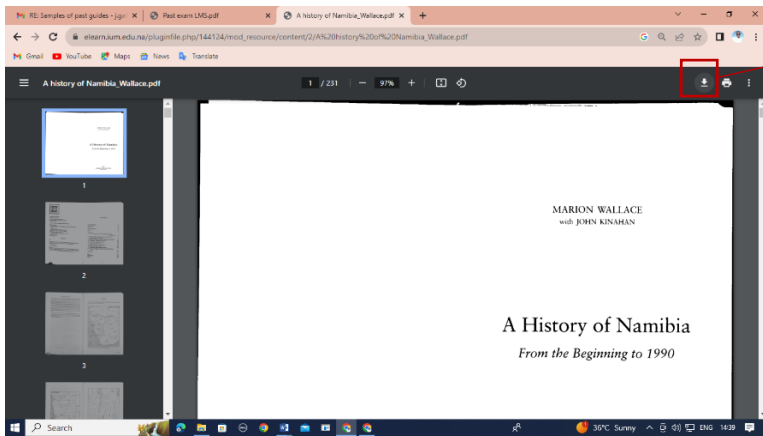

Step 4: You then click on "2023

Step 5: Then you click on "Library E-Books & Past Exam Papers

Step 6: The third step takes you to where you have several subjects' e-books, from which you may choose your preferred one.

Step 7: After choosing your subject, you may then choose an e-book you prefer under that subject.

Step 8: The final step is that you download and save your chosen e-book.
